

EXPLORING ELSEWHERE

Travel | Adventure | Remote Work
natasha.exploringelsewhere@gmail.com

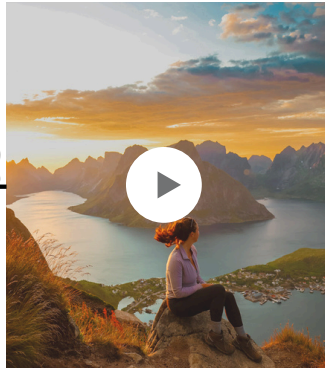

I'm Natasha, a 20-something living in New York City and constantly itching to get out. Whether I'm hiking the peaks of the Italian Dolomites, remote working from Porto, Portugal, or watching sunrise over the ancient temples of Bagan, Myanmar, I aim to leave my followers both inspired and equipped to plan the budget-friendly and adventure-filled trip of their dreams.
